

BROWSE LA

The first step towards a new you and a new way of thinking is leaving your comfort zone and checking the traditional and ordinary at the airport. It's your summer, so what better place to spend it than in the sunny and radiant Los Angeles, California, on the world-famous campus of UCLA? Here you'll get a sampling of the best in American collegiate life as well as English training and activities with other like-minded 14 to 17-year-olds from the whole world over. In Los Angeles you'll have an unforgettable experience, gain the knowledge and memories of a lifetime, and see what attaining a New Intelligence is all about. In the end, you may never want to leave!

LIVE IN LA

To best learn English, leave the textbooks behind and dive into the vibrant world capital of arts and entertainment – Los Angeles. You will also experience firsthand what makes America so great, from famous industries to multi-ethnic living, all on the edge of the western world where there are sunny skies 266 days a year. Plus, what better way to spend your down time and build friendships than to cruise Hollywood Boulevard, enjoy a concert on Santa Monica Pier, or surf your way to the shores of a beach party? Will your summer vacation include spotting a celebrity on Sunset Strip, or catching a premiere at Grauman's Chinese Theatre? – All this and more is only possible in Los Angeles. So surround yourself in English, experience America firsthand, and Live the City of LA.

DISCOVER UNIVERSITY LIFE

No American collegiate experience is complete without living in the center of all the action. Our program places you directly on the campus of the world famous UCLA, where you and your internationally mixed class will take full advantage of everything from the finest in learning technology to a first class recreation center for hours of unparalleled exercise and leisure. These uniquely American university attributes at your disposal combined with on-campus dorm room accommodation at the heart of it all means you'll experience college life exactly as American students know it.

STUDY ENGLISH

While all the various aspects of Los Angeles are undeniably rewarding, we haven't forgotten about our goal of taking your English to a new level. Here you will rapidly improve your English skills through a rigorous program of study and campus involvement, as well as enjoying cultural and educational studies. A multi-faceted curriculum will ensure your success in the university classroom as well as everyday life. A highly-qualified and dedicated faculty and small fast-paced classes will ensure rapid and exciting improvement of your English skills.
